GXO Visit - March 2023

On Wednesday the 29th of March 2023, the Employment is for Everyone team, along with Speakup Self Advocacy and Dext Life Skills Rotherham went down to GXO in Barnsley.

GXO are a massive global warehousing and distribution company shipping products all over the world, and Employment is for Everyone teamed up with their Barnsley base as they were looking to become more inclusive and wanted our help to make this happen.

Employment is for Everyone used their connections to organise trainers and experts by experience from Speakup to come down and do some disability and autism awareness training to over 50 GXO staff members across 4 sessions.

They also invited managers from Dext Life Skills Rotherham to come and attend a full site tour of the company, as well as discuss various job roles and duties that may be suitable to some of the individuals that they work with.

In addition to the above, the Employment is for Everyone team hosted a market stall in the GXO cafeteria, giving out information to off duty staff on all things employment based going off in the area.

The next step now is to promote and host a further visit for interested individuals looking for work from many employment support organisations across South Yorkshire.

We are hoping to do this in June. To stay updated keep an eye on our website and social media pages.

The whole day was a great success and it just shows how fast change can be made when organisations work together in a collaborative and positive way.
