**Learning Disability England Event –
March 2023**

Employment is for Everyone attended the Learning Disability England Conference in York on the 28th March 2023. We were there as part of the wider event to deliver a presentation on all things EifE as well as run a table top activity to gather some feedback from attendees about our website.

“I found the conference brilliant. There were lots of people who attended and most of all, they were very interested in Employment is for Everyone.”

Jodie Bradley – Employment is for Everyone / Speakup.

It is vital to our movement that we go out and deliver these talks and gather feedback as people with learning disabilities and autistic people should have the chance to be employed and shape the site to be as helpful and informative as possible to them.

The workshop was brilliant as everyone contributed by answering the questions we presented. We got lots of fantastic feedback and we are now currently in the process of working with a tech company to re design the full site.
