Employment is for Everyone

“Hidden Disability Job Fair” – October 2023

On the 10th October 2023, Autism Plus, in partnership with Sheffield City Council Deaf, Hearing and Vision support services ran a Hidden Disability Job Fair bringing together employers and providers from across South Yorkshire in order to help showcase employment and training opportunities for adults with neurodivergent conditions, as well as individuals with vision or hearing support needs.

Colin and Jodie from the Employment is for Everyone team attended the event and ran a stall to discuss the work EifE do in South Yorkshire to increase employment rates for people with learning disabilities and autistic people.

The job fair was a massive success and many people from all different sectors attended to find out more about what support is available locally to them.

Employment is for Everyone got some really good interest and we have been asked to go to other events and showcase more of our work, which is brilliant.
