Employment is for Everyone

DSY Sporting Futures Open Day - February 2022

On Friday the 24th of February Employment Is For Everyone teamed up with Disability Sport Yorkshire to host an information session about their upcoming Sporting Futures programme in Rotherham.

They have developed a project that will focus on increasing employment skills over a 15-week programme aiming to provide practical training and meaningful volunteering opportunities for disabled adults aged 19 and over, using sport as a vehicle.

It will give people with learning disabilities and autistic people the opportunity to develop skills around the running of a community sports club/centre and to gain practical experience and level 1 qualifications.

The information session was held from the Functional Fitness Gym in Rotherham, and as well as heavily promoting the event the EIFE team were there in support.

Disability Sport Yorkshire were there from 10:30am – 12:30pm to give out information, answer any questions & queries and book people onto the programme.

Across the 2hr drop in session many individuals popped in and out to find out more and overall it was a productive event which should hopefully lead to a successful programme.

The programme itself will be running from Rotherham Titans stadium every Friday from 10:30am – 3pm starting at the back end of March.

For any more info or to book onto the programme please contact Christina McDowell at Disability Sport Yorkshire
cmcdowell@disabilitysportyorkshire.org

For anyone interested but unable to do the dates please do still register your interest with them as they intend to run a summer version of the program too.
