Employment is for Everyone

“Positive Voices” – September 2023

On the 28th of September 2023, Dudley Voices held their yearly celebration in Birmingham called “Positive Voices”.

Positive Voices is a national conference for self advocates with autism and/or a learning disability where a load of amazing people from across the country get together to share stories and current work from their advocacy organisations.

Jodie from Employment is for Everyone attended the conference to deliver a talk about all the work she has been involved in over the last year, with a big section of that being the work she has done to cofound the Employment is for Everyone movement.

The feedback Jodie received was great and everybody found the work really interesting and asked plenty of questions.

Gary Bourlet (Learning Disability England) said that Employment is for Everyone should cover the “Employment” part for the Good Lives Framework which is a fantastic complement to hear.

The slides of the presentation will be shared around the organisations and Jodie mentioned the 2 films for people to watch on our website. It was a fantastic event and we hope that people will have a look at the website.
