Employment is for Everyone

**Sheffield Employability Network  
Teacake Club Summer Meeting  
July 2023**

On July the 14<sup>th</sup> 2023. Harry and Jodie from the Employment is for Everyone team were invited to attend the Sheffield Summer Employability Network, otherwise known as the Teacake Club to deliver an update on Employment is for Everyone.

The Teacake Club is an informal group of members who have an interest in employment-related activity in Sheffield, organised by Opportunity Sheffield. They are fantastic at bringing people together from all over South Yorkshire. Check out their website and the work they do.

“There was a lot of people who attended to tell us about their work and it was very interesting as I didn’t know that this work was out there and it’s great.”

Jodie Bradley – Speakup & EifE

Many people from all over Sheffield presented and delivered some really informative and interesting work that they’re doing around employment. We also got to hear some fantastic success stories too which made a lot of messages really powerful.

Throughout the day we had a lot of interest in our work and we’re looking forward to working with other organisations in Sheffield to see how we can collaborate.

We would love to be invited back and present again at the next meeting!
